first complete history of Greenwich Village, the prodigiously influential and infamous New York City neighborhood. From the Dutch settlers and Washington Square patricians, to the Triangle Shirtwaist fire and Prohibition-era speakeasies; from Abstract Expressionism and beatniks, to Stonewall and AIDS, the connecting narratives of The Village tell the story of America itself. Illustrated with historic black-and-white photographs, The Village features lively, well-researched profiles of many of the people who made Greenwich Village famous, including Thomas Paine, Walt Whitman, Edna St. Vincent Millay, Mark Twain, Margaret Sanger, Eugene O'Neill, Marcel Duchamp, Upton Sinclair, Willa Cather, Jack Kerouac, Allen Ginsberg, Jackson Pollock, Anais Nin, Edward Albee, Charlie Parker, W. H. Auden, Woody Guthrie, James

A vivid memoir of life in one of New York City's most dynamic neighborhoods Growing Up Bank Street is an evocative, tender account of life in Greenwich Village, on a unique street that offered warmth, support, and inspiration to an adventurous and openhearted young girl. Bank Street, a short strip of elegant brownstones and humble tenements in Greenwich Village, can trace its lineage back to the yellow fever epidemics of colonial New York. In the middle of the last century, it became home to a cast of extraordinary characters whose stories intertwine in this spirited narrative. Growing up, Donna Florio had flamboyant, opera performer parents and even more free-spirited neighbors. As a child, she lived

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

among beatniks, artists, rock musicians, social visionaries, movie stars, and gritty blue-collar workers, who imparted to her their irrepressibly eccentric life rules. The real-life Auntie Mame taught her that she is a divine flame from the universe. John Lennon, who lived down the street, was gracious when she dumped water on his head. Sex Pistols star Sid Vicious lived in the apartment next door, and his heroin overdose death came as a wake-up call during her wild twenties. An elderly Broadway dancer led by brave example as Donna helped him comfort dying Villagers in the terrifying early days of AIDS, and a reclusive writer gave her a path back from the brink when, as a witness to the attacks of 9/11, her world collapsed. These vibrant vignettes weave together a colorful coming of age tale against the backdrop of a historic,

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

iconoclastic street whose residents have been at the heart of the American story. As Greenwich Village gentrifies and the hallmarks of its colorful past disappear, Growing Up Bank Street gives the reader a captivating glimpse of the thriving culture that once filled its storied streets.

Discusses how Joan Baez, Bob Dylan, and Mimi and Richard Farina gathered together in Greenwich Village in the early 1960s, chronicling their rise from coffeehouse folksingers to popular icons. Reprint. 50,000 first printing.

The long-awaited autobiography of entertainment icon Jerry

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

Blavat, You Only Rock Once is the wildly entertaining and unfiltered story of the man whose career began at the age of 13 on the TV dance show Bandstand and became a music legend. Lifelong friendships with the likes of Sammy Davis Jr. and Frank Sinatra, a controversial relationship with Philadelphia Mafia boss Angelo Bruno that resulted in a decade-long FBI investigation, and much more colors this amazing journey from the early 60s through today. Now, some 50 years after his first radio gig, Blavat puts it all in perspective in this uniquely American tale of a “little cockroach kid” borne out of the immigrant experience who lived the American Dream.

From Washington Square Park and the Gaslight Cafe(c) to

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

WNYC Radio and Folkways Records, New York City's cultural, artistic, and commercial assets helped to shape a distinctively urban breeding ground for the famous folk music revival of the 1950s and '60s. 'Folk City', by Stephen Petrus and Ronald Cohen, explores New York's central role in fueling the nationwide craze for folk music in postwar America. The musical form blossomed particularly in Greenwich Village, the famed neighborhood that had long nurtured unconventional art, progressive politics, and countercultural trends. But the phenomenon was not inevitable. After all, folk music was largely rural in origins, the songs of peasants in the Old World and then of sailors, cowboys, lumberjacks, coal miners, chain gangs, and others across the United States. How it became urban and modern

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

is a fascinating story, one that involves the efforts of record company producers and executives, club owners, concert promoters, festival organizers, musicologists, agents and managers, editors and writers-not to mention the musicians and their audiences.0In this account, Petrus and Cohen capture the exuberance of the times and introduce readers to a host of characters who brought a new style to the biggest audience in the history of popular music. Among the savvy New York entrepreneurs committed to promoting folk music were Izzy Young of the Folklore Center, Mike Porco of Gerde's Folk City, and John Hammond of Columbia Records. While these and other businessmen developed commercial networks for musicians, the performance venues provided the artists spaces to test their mettle. The authors portray Village

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

And the Sixties
coffee houses not simply as lively venues but as incubators of a burgeoning counterculture, where artists from diverse backgrounds honed their performance techniques and challenged social convention in the era of Eisenhower, Kennedy, and Johnson.

First published in 1943, this autobiography is also a superb portrait of America's Depression years, by the folk singer, activist, and man who saw it all. Woody Guthrie was born in Oklahoma and traveled this whole country over—not by jet or motorcycle, but by boxcar, thumb, and foot. During the journey of discovery that was his life, he composed and sang words and music that have become a national heritage. His songs, however, are but part of his legacy. Behind him

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

Woody Guthrie left a remarkable autobiography that vividly brings to life both his vibrant personality and a vision of America we cannot afford to let die. “Even readers who never heard Woody or his songs will understand the current esteem in which he’s held after reading just a few pages... Always shockingly immediate and real, as if Woody were telling it out loud... A book to make novelists and sociologists jealous.”
—The Nation

Dave Van Ronk (1936-2002) was one of the founding figures of the 1960s folk revival, but he was far more than that. A pioneer of modern acoustic blues, a fine songwriter and arranger, a powerful singer, and one of the most influential guitarists of the '60s, he was also a marvelous storyteller, a

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

peerless musical historian, and one of the most quotable figures on the Village scene. Featuring encounters with young stars-to-be like Bob Dylan and Joni Mitchell, The Mayor of MacDougal Street is a vivid evocation of a singular time and place--a feast not only for fans of folk music and blues, but for anyone interested in the music, politics, and spirit of a revolutionary period in American culture.

A love letter to Greenwich Village, written by artists, writers, musicians, restaurateurs, and other neighborhood habitues who each share a favorite memory of this beloved place. The sixty stories in this collection of Village memories are exuberant, poignant, original, and vivid-perfectly capturing the essence of the Village. Every corner of the Village is

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

represented in the book: recollections of jazz clubs and existentialism on Bleecker Street, rock music at St. Mark's Place, folk singers in Washington Square Park. There are stories of Hans Hofmann teaching modern art on 8th Street and Lotte Lenya performing in The Threepenny Opera on Christopher Street. Decades later, Brooke Shields muses on renovating a brownstone and finding history behind its walls; and Mario Batali lyrically describes a Sunday morning walk through the food markets of Bleecker Street. The stories are complemented by a wide range of photographs by iconic figures such as Allen Ginsberg, Rudy Burckhardt, Berenice Abbott, Saul Leiter, Ruth Orkin, and Weegee. Paintings depict elegant red-brick facades and raffish Hudson River piers, now restored; theater posters spotlight Karen Finley

Download Free A Freewheelin Time Greenwich Village In The Sixties Bob Dylan

and John Leguizamo. This is a book for those who are already beguiled by the Village as well as those just discovering this fabled place.
