These are the answer keys to the tests provided for French 1. These tests include two tests per chapter, plus a final exam at the end of the book. In each chapter, the first test focuses on the student s understanding of structure. It incorporates recognition of vocabulary, competency in using grammar, and a listening section. The second test in each chapter focuses on the student s ability to communicate, both orally and in writing. It begins with the student reciting a verse of Scripture, proceeds to some conversation with the teacher, and ends with a written exercise. The final exam includes aspects from both the structure and communication tests."

This book ... includes daily lesson plans and supplemental materials for a course in vocational English, and it provides a systematic approach to instruction in writing used on the job. This book is divided into two parts. Part one ... provides lessons and materials for a course in vocational English. Each chapter describes one unit in which students master a particular skill or complete a writing assignment. Detailed daily plans are provided, and at the conclusion of each chapter reproducible worksheets for the unit are included. Part two of the book ... provides lessons and materials for language development.-Introd.
