to find some info about a Colchester Bantam I picked up today. I paid the grand
sum of £300 for the Bantam - it's been sat in someone's shed for years and
gathered a significant layer of surface rust.

Your manual should show this information. We sometimes buy scrap or tired
Colchester Lathes and ancillaries for stripping, so that we can help keep old
machines working when spare parts become obsolete. Please don't send them to
the scrap yard! We have broken the following machines, as the following list, and
many of the parts are still available:
