Da Berlino A Gerusalemme

Trenta anni fa l'editore Einaudi aveva pubblicato Da Berlino a Gerusalemme a partire dal testo tedesco; oggi lo ripropone tradotto da quello ebraico, ritoccato e implementato dall'autore poco prima di morire, introdotto dalla prefazione di Giulio Busi. Scholem, grande studioso di mistica ebraica, risale alle fonti della propria storia ...

«Ciò che che Scholem vuole tramandare è soprattutto il senso delle scelte politiche e culturali della sua generazione» Giulio Busi

At what point is a place perceived as holy? And when does it become officially so in its definition? Inspired by the UNESCO debate and decisions made concerning holy places, the authors seek answers to these questions. "Naming the Sacred" is a diachronic excursus into the issues of perception and denomination of holy places. The volume examines historical cases in which names and places have been modified or literally eliminated and others where places were subject to policies of protection and tutelage. The work appertains to an ongoing, evolving global debate where the challenge of the reciprocal recognition of holy sites has become increasingly complex.

Movendo da una lettera del 1926 di Gershom Scholem a Franz Rosenzweig sulla condizione della lingua ebraica Derrida affronta i temi dell'ebraismo, del sionismo, della spettralità e del messianismo, ricongiungendoli alla più generale questione del Nome di Dio. Ne nasce un significativo contributo per riflettere su alcuni dei motivi che caratterizzano l'ultimo tempo dell'Opera del filosofo francese e per lasciare spalancare lo sguardo sull'oscura vertigine della lingua.

Joseph Dan, the Gershom Scholem Professor of Kabbalah Emeritus at the Hebrew University and long-time Professor of Jewish Studies at the Freie Universität Berlin, is one of the most influential figures in the fields of Jewish mystical thought, homiletical and ethical literature, modern Messianism and Hasidism, and contemporary 'belles-lettres'. His studies of the diverse aspects of Jewish creativity, with close attention to the dialectics of religious-cultural continuity versus historical innovation, provide a comprehensive overview of the complex history of Jewish thought and its multiple creative faces. It is precisely for this reason, to honor Joseph Dan's multifaceted research, that his many colleagues, students, and friends, scattered among universities around the world, have decided to focus their contributions in this Festschrift on the continuing process of creation and re-creation in Jewish thought throughout the centuries. Contributors: Philip Alexander, Dan Ben-Amos, Peter Schafer, Margarete Schluter, Bernard McGinn, Klaus Herrmann, Herbert Davidson, Annelies Kuyt, Haym Soloveitchik, Eli Yassif, Gerold Necker, Marc Saperstein, Giuseppe Veltri, Aviezer Ravitzky, Avinoam Rosenak, Kimmy Caplan, Saverio Campanini, Eric Jacobson, Yair Zakovitch, Rachel Elijor, David Weiss Halivni, Avigdor Shinan, Avraham Grossman, Giulio Busi, Moshe Hallamish, Chava Turniansky, Jacob Elbaum, Hagit Matras, Joseph Hacker, Raya Haran, Arnold J. Band, Hamutal Bar Yosef, Miri Kubovy, Naama ben Shahr.
