What's the difference between short leg and deep midwicket? When would you be thinking about bowling a yorker? What's so great about the sound of leather on willow? Cricket's vocabulary is a mixture of jargon and cliché, poetry and prose, misty-eyed romanticism and old-gits' cynicism. Arm-ball to Zooter is a witty guide to the peculiarities of the game, its history and major figures; cricket-lovers might find their own pet hates confirmed; cricket newcomers might be amazed at what cricket-lovers have been up to all these years.

The game we play today is scarcely like that of my boyhood ' mused Dr W.G. Grace a century ago. 'There have been silent revolutions transforming cricket in many directions, improving it in some ways and in others robbing it of some elements of its charm.' In this panoramic collection of his writings, Australia's leading cricket writer ranges over 250 years of cricket history, picking out those events, characters and even objects that have mattered - sometimes far more than we know. From giants of the game such as Bradman, Larwood and Miller to subjects including our fascination with wasted talent and the evolution of the protector, Silent Revolutionreveals the game within the game known only to the subtlest observers.

Tough. Uncompromising. A ferocious flanker. A player nicknamed 'Beasterby'. A man who has a reputation for body-on-the-line rugby as many an opponent has found out to his cost and as the injuries he's suffered himself testify. Simon Easterby is Ireland's most capped flanker, who also captained the Scarlets Welsh region for five consecutive seasons.

An irresistible book for cricket fans - Australia's leading cricket writer on the tour of a lifetime. The 2006-07 Ashes tour is the most feverishly anticipated in many years. An English team will meet an Australian one determined to take back the Ashes on its home turf. Sparks will fly, in front of massive crowds. This book will be the definitive record of that encounter - the thrills, clashes and key events. It will contain all of Gideon Haigh's day-by-day writing for the Guardian- match reports, profiles, analyses and more.

Which notable player asked Don Bradman if he 'had anything to do with cricket'? Who told a young Shane Warne to forget bowling and concentrate on his batting? Whose outfield catch is considered the greatest of all? Find out in Favourite Cricket Yarns. Packed full of hilarious (mostly) true stories, fascinating anecdotes, bloopers and stats, this updated edition from Australian sport's master storyteller Ken Piesse will have you laughing out loud. The perfect book for any cricket fan, it covers the biggest names in the game - from The Don, Big Merv and the Chappells to Gilly, Clarke and Smith.

When England cricket captain Tony Greig announced that he intended to make the West Indies 'grovel', he lit a fire that burned as intensely as the sunshine of Britain's long hot summer of 1976. Spurred on by what they saw as a deeply offensive remark by a white South African, Clive Lloyd's touring team made Greig pay through the exciting batting of Viv Richards and the frightening pace of bowlers Michael Holding and Andy Roberts. Grovel! provides a fascinating study of the events and social issues surrounding one of the sport's most controversial and colourful tours.- Runner-up in Best Cricket Book category at both the British Sports Book Awards and Cricket Society Book of the Year- Fortright foreword by Tony Greig, in which he addresses one of the most infamous comments in cricket history- Featuring interviews with key figures from English and West Indian cricket- Addresses all the vibrant sporting storylines of the series, while examining the darker undercurrent that existed in a period of ongoing racial tension around the country- Traces the origins of the great West Indies team of the 1970s and 80s which featured in the film Fire of Babylon

Mark Ramprakash is arguably the greatest English batsman of his generation, but he is also an enigma. He is among an elite group of players who have scored 100 first-class centuries, yet has never flourished as he should have done at Test level. To many people in the UK, he is just as well known for his exploits on the dance floor: he won Strictly Come Dancing in 2006 and went on to win the Champion of Champions final in 2008 for Sport Relief. In Strictly We, Ramprakash covers in detail all aspects of his cricket career - from the hot-headed cricketing prodigy who made his Test debut for England at the age of 21 to finally being cast aside by his country in 2002. He discusses how he has become one of the UK's best celebrity dancers and how his newfound status as a media celebrity has flourished since then.
