Profiles the leaders and forces of the Native Americans and cavalry; outlines events leading up to the battle; analyzes the battle, making extensive use of maps showing unit movements; and examines the myths that were generated from the fight.

'Easily the most significant book yet published on the Battle of the Little Bighorn.'--Paul L. Hedren, *Western Historical Quarterly* "[Gray] has applied rigorous analysis as no previous historian has done to these oft-analyzed events. His detailed time-motion study of the movements of the various participants frankly boggles the mind of this reviewer. No one will be able to write of this battle again without reckoning with Gray"--Thomas W. Dunlay, *Journal of American History* "Gray challenges many time-honored beliefs about the battle. Perhaps most significantly, he brings in as much as possible the testimony of the Indian witnesses, especially that of the young scout Curley, which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners . . . The contrasts in [this] book. . . restate the basic components of what still attracts the imagination to the Little Bighorn."--Los Angeles Times Book Review "Gray's analysis, by and large, is impressively drawn; it is an immensely logical reconstruction that should stand the test of time. As a contribution to Custer and Indian wars literature, it is indeed masterful."--Jerome A. Greene, *New Mexico Historical Review* John S. Gray was a distinguished historian whose books included the acclaimed *Centennial Campaign: The Sioux War of 1876*. Custer's Last Campaign is the winner of the Western Writers of America Spur award and the Little Bighorn Associates John M. Carroll Literary

Award.

This accessible paperback in the "Facts About" series covers all aspects of the famous campaign in surprising detail, with much hard-to-find information on the background of the participants, the Mexican viewpoint, and the continuing mystery of possible survivors.

Eyewitness accounts by Native Americans, archaeological evidence, and archival materials combine to offer new perspective on the Battle of Little Bighorn

This is the first major illustrated book to examine the life and death of General Custer.

In June of 1876, on a desolate hill above a winding river called "the Little Bighorn," George Armstrong Custer and all 210 men under his direct command were annihilated by almost 2,000 Sioux and Cheyenne. The news of this devastating loss caused a public uproar, and those in positions of power promptly began to point fingers in order to avoid responsibility. Custer, who was conveniently dead, took the brunt of the blame. The truth, however, was far more complex. **A TERRIBLE GLORY** is the first book to relate the entire story of this endlessly fascinating battle, and the first to call upon all the significant research and findings of the past twenty-five years--which have changed significantly how this controversial event is perceived. Furthermore, it is the first book to bring to light the details of the U.S. Army cover-up--and unravel one of the greatest mysteries in U.S. military history. Scrupulously researched, **A TERRIBLE GLORY** will stand as a landmark work. Brimming with authentic detail and an unforgettable cast of characters--from Sitting Bull and Crazy Horse to Ulysses Grant and Custer himself--this is history with the sweep of a great novel.

Investigates the enigmatic Native American figure, assessing critical battles attributed to his leadership within a context of the Great Sioux Wars, exploring the relationships between the Lakota Sioux and other tribes and analyzing the subjugation of North Plains Native Americans. Reprint.

"An engrossing and tautly written account of a critical chapter in American history." --Los Angeles Times Nathaniel Philbrick, author of *In the Hurricane's Eye*, Pulitzer Prize finalist *Mayflower*, and *Valiant Ambition*, is a historian with a unique ability to bring history to life. *The Last Stand* is Philbrick's monumental reappraisal of the epochal clash at the Little Bighorn in 1876 that gave birth to the legend of Custer's Last Stand. Bringing a wealth of new information to his subject, as well as his characteristic literary flair, Philbrick details the collision between two American icons- George Armstrong Custer and Sitting Bull-that both parties wished to avoid, and brilliantly explains how the battle that ensued has been shaped and reshaped by national myth.

Treats the battle with Custer from the Indians' point of view, showing how their "victory" was merely a last hurrah for a landless people stripped of their rights.

Presents a Sioux warrior's account of the events surrounding the Battle of the Little Bighorn.
