And a girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight-the fight to stay alive.

Never before has school been this mixed up-or this much fun! Miss Daisy, who teaches second grade, doesn't know how to add or subtract. Not only that, she doesn't know how to read or write, either. She is the dumbest teacher in the history of the world!

Nate Harlow would love to be lucky, just once! He'd like to win a prize, get picked first, call a coin toss right, even! But his best friend, Genesis Beam (aka Gen), believes in science and logic, and she doesn't think for one second that there's such a thing as luck, good or bad. She doesn't care what names the other kids call them. She cares about being right, about saving the turtles of Paradise Beach, and she cares about Nate. Then, on his birthday, at the Goofy Golf mini-golf course, Nate is struck by lightning -- and survives! Suddenly baseballs are drawn to

About the Novel: Matilda is the charming story of a very unusual little girl, Matilda, who despite having two very horrible parents, learns how to read by the age of three. There are many other things about Matilda that are very special. She can solve arithmetic problems very quickly in her head, and she can move things about with the power of thought. Despite all of this she is a most pleasant little girl who is well liked by her classmates and by her wonderful teacher, Miss Honey. Matilda discovers the headmistress of the school, Miss Trunchbull, is actually Miss Honey 's aunt and has cheated her out of

Into the fascinating, pungent setting of Blood and Bone Alley, home of leech, barber-surgeon, and apothecary, comes Matilda, raised by a priest to disdain worldly affairs and focus on spiritual matters. To Matilda's dismay, her work will not involve Latin or writing, but practical tasks: lighting the fire, going to market, mixing plasters and poultices, and helping Peg treat patients. She is appalled by the worldliness of her new surroundings, and the sharp-tongued saints she turns to for advice are no help at all. Filled with the witty dialogue and richly authentic detail that Karen
