Thirty years after the disaster Nando tells his story with remarkable candor and depth of feeling. Miracle in the Andes--a first person account of the crash and its aftermath--is more than a riveting tale of true-life adventure: it is a revealing look at life at the edge of death and a meditation on the limitless redemptive power of love.

NEW YORK TIMES BESTSELLER • A harrowing, moving memoir of the 1972 plane crash that left its survivors stranded on a glacier in the Andes—and one man's quest to lead them all home—now in a special edition for 2022, commemorating the fiftieth anniversary of the crash, featuring a new introduction by the author "In straightforward, staggeringly honest prose, Nando Parrado tells us what it took—and what it actually felt like—to survive high in the Andes for seventy-two days after having been given up for dead." —Jon Krakauer, author of *Into the Wild* "In the first hours there was nothing, no fear or sadness, just a black and perfect silence." Nando Parrado was unconscious for three days before he woke to discover that the plane carrying his rugby team to Chile had crashed deep in the Andes, killing many of his teammates, his mother, and his sister. Stranded with the few remaining survivors on a lifeless glacier and thinking constantly of his father's grief, Parrado resolved that he could not simply wait to die. So Parrado, an ordinary young man with no particular disposition for leadership or heroism, led an expedition up the treacherous slopes of a snowcapped mountain and across forty-five miles of frozen wilderness in an attempt to save his friends' lives as well as his own. Decades after the disaster, Parrado tells his story with remarkable candor and depth of feeling. *Miracle in the Andes*, a first-person account of the crash and its aftermath, is more than a riveting tale of true-life adventure; it is a revealing look at life at the edge of death and a meditation on the limitless redemptive power of love.

In October 1972, Nando Parrado and his rugby club teammates were on a flight from Uruguay to Chile when their plane crashed into a mountain. Miraculously, many of the passengers survived but Nando's mother and sister died and he was unconscious for three days. Stranded more than 11,000 feet up in the wilderness of the Andes, the survivors soon heard that the search for them had been called off - and realise the only food for miles around was the bodies of their dead friends ... In a last desperate bid for safety, Nando and a teammate set off in search of help. They climbed 17,000-foot-high mountains, facing death at every step, but inspired by his love for his family Nando drove them on until, finally, 72 days after the crash, they found rescue.

A survivor of the horrific 1972 plane crash that stranded his rugby team in the Andes for seventy-two days provides his account of the ordeal and of his desperate expedition across seventy miles of frozen wilderness to find help.

A survivor of the horrific 1972 plane crash that stranded his rugby team in the Andes for seventy-two days provides his account of the ordeal and of his desperate expedition across seventy miles of frozen wilderness to find help.

The #1 New York Times bestseller and the true story behind the film: A rugby team resorts to the unthinkable after a plane crash in the Andes. Spirits were high when the Fairchild F-227 took off from Mendoza, Argentina, and headed for Santiago, Chile. On board were forty-five people, including an amateur rugby team from Uruguay and their friends and family. The skies were clear that Friday, October 13, 1972, and at 3:30 p.m., the Fairchild's pilot reported their altitude at 15,000 feet. But one minute later, the Santiago control tower lost all contact with the aircraft. For eight days, Chileans, Uruguayans, and Argentinians searched for it, but snowfall in the Andes had been heavy, and the odds of locating any wreckage were slim. Ten weeks later, a Chilean peasant in a remote valley noticed two haggard men desperately gesticulating to him from across a river. He threw them a pen and paper, and the note they tossed back read: "I come from a plane that fell in the mountains . . ." Sixteen of the original forty-five passengers on the F-227 survived its horrific crash. In the remote glacial wilderness, they camped in the plane's fuselage, where they faced freezing temperatures, life-threatening injuries, an avalanche,

and imminent starvation. As their meager food supplies ran out, and after they heard on a patched-together radio that the search parties had been called off, it seemed like all hope was lost. To save their own lives, these men and women not only had to keep their faith, they had to make an impossible decision: Should they eat the flesh of their dead friends? A remarkable story of endurance and determination, friendship and the human spirit, *Alive* is the dramatic bestselling account of one of the most harrowing quests for survival in modern times.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 We were flying over the Andes on the thirteenth of October, the date of our game against the Chilean team. The original itinerary was to fly nonstop to Santiago, but reports of bad weather in the mountains ahead forced the plane to land in the old Spanish colonial town of Mendoza. #2 We were to meet at the airport at 1 p. m. sharp, but we arrived only to discover that the pilots had not yet decided whether or not we would fly. The weather reports warned of some turbulence, but the pilots were confident the Fairchild could fly safely above the weather. #3 The plane was headed to Santiago, which is west of Mendoza. The region of the Andes that separates the two cities is one of the highest sections of the entire chain, and home to some of the tallest mountains in the world. #4 The pilots had charted a course that would take us about one hundred miles south of Mendoza to Planchón Pass, a narrow corridor through the mountains with ridges low enough for the plane to clear. We would fly south along the eastern foothills of the Andes with the mountains always on our right, until we reached the pass.

On October 13, 1972, an Uruguayan air force plane carrying members of the Old Christians rugby team—and many of their friends and family members—crashed in the Andes mountains. *I Had to Survive* offers a gripping and heartrending recollection of the harrowing brink-of-death experience that propelled survivor Roberto Canessa to become one of the world's leading pediatric cardiologists. As he tended to his wounded teammates amidst the devastating carnage, rugby player Roberto Canessa, a second-year medical student at the time, realized that no one on earth was luckier: he was alive—and for that, he should be eternally grateful. As the starving group struggled beyond the limits of what seemed possible, Canessa played a key role in safeguarding his fellow survivors, eventually trekking with a companion across the hostile mountain range for help. No one could have imagined that there were survivors from the accident in such extreme conditions. Canessa's extraordinary experience on the fine line between life and death became the catalyst for the rest of his life. This uplifting tale of hope and determination, solidarity and ingenuity, gives vivid insight into the world-famous story that inspired the movie *Alive!* Canessa also draws a unique and fascinating parallel between his work as a doctor diagnosing very complex congenital cardiopathies in unborn and newborn infants and the difficult life-changing decisions he was forced to make in the Andes. With grace and humanity, Canessa prompts us to ask ourselves: what do you do when all the odds are stacked against you?

Could you survive a plane crash in the Andes mountain range? Nando Parrado: *Crash in the Andes* in the True Survival series explores Parrado's shocking survival story. The book is written with a high interest level and lower level of complexity to serve more mature students reading at lower levels. Clear visuals, colorful photographs (including images of the survivors!), and considerate text help with comprehension and wild facts hold the readers' interest from the first page to the last. A table of contents, glossary, and index all enhance comprehension and vocabulary.

Miracle in the Andes mengisahkan perjuangan tim rugby Uruguay dalam mempertahankan diri di bekunya Pegunungan Andes. Nando Parrado dan timnya tengah melakukan perjalanan untuk pertandingan persahabatan di Argentina. Akibat cuaca buruk, pesawat carteran yang mereka tumpangi jatuh di tengah Andes. Dari 45 penumpang, hanya 32 yang masih hidup akibat jatuhnya Fairchild. Semakin lama, akibat luka serius dan longsor salju, korban bertambah banyak hingga tinggal 16 survivors saja. Semangat mereka menjadi setipis udara Andes ketika mendengar dari radio Fairchild bahwa pencarian telah dihentikan. Dalam memoar ini, Nando menunjukkan bahwa besarnya cinta dan kegigihan dapat membuat miracle is achievable. [Mizan, C Publishing, Novel, Indonesia]

Part memoir of life in Taiwan, part love story—a beautifully told account of China's brilliant cuisines...with recipes. *At the Chinese Table* describes in vivid detail how, during the 1970s and '80s, celebrated cookbook writer and illustrator Carolyn Phillips crosses China's endless cultural and linguistic chasms and falls in love. During her second year in Taipei, she meets scholar and epicurean J. H. Huang, who nourishes her intellectually over luscious meals from every part of China. And then, before she knows it, Carolyn finds herself the unwelcome candidate for eldest daughter-in-law in a traditional Chinese family. This warm, refreshingly candid memoir is a coming-of-age story set against a background of the Chinese diaspora and a family whose ancestry is intricately intertwined with that of their native land. Carolyn's reticent father-in-law—a World War II fighter pilot and hero—eventually embraces her presence by showing her how to recreate centuries-old Hakka dishes from family recipes. In the meantime, she brushes up on the classic cuisines of the North in an attempt to win over J. H.'s imperious mother, whose father had been a warlord's lieutenant. Fortunately for J. H. and Carolyn, the tense early days of their relationship blossom into another kind of cultural and historical education as Carolyn masters both the language and many of China's extraordinary cuisines. With illustrations and twenty-two recipes, *At the Chinese Table* is a culinary adventure like no other that captures the diversity of China's cuisines, from the pen of a world-class scholar and gourmet.
