Never Turn Your Back on a Friend is Budgie 's third album, released in June 1973. A remastered version was released in late 2004. The album includes "Breadfan", one of the band's better known songs. Metallica recorded a cover version of "Breadfan" in 1987. The first pressings of the vinyl LP included a chiming Big Ben and a spoken intro of Winston Churchill's speech to the Commons in 1940 - however, due to legal problems, this had to be removed on later pressings and has remained that way on ...

You described the scene so vividly I could see it rolling along in my mind. however video would have been even better. Perhaps now going viral on the internet was a stealth onlooker filming the car stalking shenanigans. I'll keep an eye out for it.

'Never Turn Your Back On A Friend' appears to be the 'pick of the bunch', concerning Budgie. An amazingly vibrant Roger Dean artwork graces the gatefold cover, undoubtedly further endearing it to many Prog-Heads. Not a jot of keyboards on this one though (perhaps the Mellotron on 'Squawk' keeps on luring me back to that one ?).
