A reflection upon the man-on-man liaisons throughout his life, from the hanky-panky at boarding school to the multi-cultural diversions he encountered during his travels. His world was opened to practices he didn't even know existed, especially in the CP dungeon. Graphically detailed with tenderness and humour. It was published in haste before changing his mind, but the errors which were pointed out have since been rectified and the book republished.

A reflection upon the man-on-man liaisons throughout his life, from the hanky-panky at boarding school to the multi-cultural diversions he encountered during his travels. He came across societies where homosexuality is strictly prohibited and punishable by death, and practices he didn't even know existed, especially in the CP dungeon. Graphically detailed with tenderness and humour, it will strike a chord with many readers.

(What straight men don't tell their barber or bartender!) "The Psychological & Social Barriers behind the Sexual Secrets of Straight Men" is the first book to examine and explain clearly why a man has sex with other men. In the case of straight males, (who can't be defined as gay), and how straight begin their sexual adventures are different from what is socially & traditionally known as homosexuality. This is not a redefinition of the straight male gender, but an elucidation of it through their previously untold true-stories. This is definitely not like other regular romantic, erotic sexual stories. Beyond that, it deeply penetrates how social and family norms, religious taboos, cultural standards, and political restrictions, control the sex lives of straight male.

You've probably met many articles and blog posts that are out there, claiming that it's hopeless to try to understand men, or otherwise putting forth complicated ways to interact with them. You also know that oftentimes men act like idiots without any reason for that and of course, it can bring any woman down, make her upset or even injure. This book is here to show you that understanding men doesn't need to be complicated. As a woman, I'm sure you would agree that the inverse is true: a man could understand you without too much effort. There is no doubt that, as long as you take the time to learn about men, you can understand them without much difficulty and thus help yourself in reacting easily to men's stupid behavior, living happier life and building stronger relationships with them. There are some extremely important things concerning guys that women don't know about. Straight men don't share this information since they are not aware of these things either however these things can help much both men and women to communicate easier. To be a gay is the same that being a woman in sense of making relationships with men but at the same time being a gay is always being a man so it helps to understand the partner of the same sex. This guide is about to unveil some simple but as it appeared not obvious stuff that every girlfriend, every wife, every single lady needs to know about men.Here Is A Preview Of What You'll LearnVerbal communication with guysNonverbal communication with guysMen and angerMen and loveWant to understand why he acts the way he acts and always be on top of any issue related to a man? Why some straight men have sex with other men Why do some straight men in rural America have sex with other men? In Still Straight, Tony Silva convincingly argues that these men—many of whom enjoy hunting, fishing, and shooting guns—are not gay, bisexual, or “just experimenting.” As he shows, these men can enjoy a range of relationships with other men, from hookups to sexual friendships to secretive loving partnerships, all while strongly identifying with straight culture. Drawing on riveting interviews with straight white men who live in rural America, Silva explores the fascinating, and unexpected, disconnect between sexual behavior and identity. Some use sex with men to bond with other men in an acceptably masculine way; some are not particularly attracted to men, but are wary of emotional attachment with women; and others view sex with men—as opposed to women—as a more acceptable form of extramarital sexual behavior. Taking us inside the lives of straight white men who have sex with other men, Still Straight shows us that heterosexuality in rural America is not always, in fact, what it seems.

Two steamy reads to tempt your senses! You don't have to be a damsel in distress to love a man who takes charge. Sink your teeth into these seductive Billionaires and the women they worship. Make sure to bring a glass of water! Featuring the following books: Book one: His Hidden Love: A Holiday Romance (Their Secret Desire Book 1) When singer India Blue meets superstar actor Massimo Verdi, their sexual attraction is immediate and almost overwhelming. But India is plagued by a dark secret, and when her life is threatened, the two would-be-lovers find their love inundated with jeopardy and distance. Complicating matters is India's close relationship with her friend, K-pop star Sun, who is in turmoil as well. After photographs of Massimo kissing his ex-girlfriend flood the internet, India flees to Seoul where she and the distressed Sun rekindle their sexual relationship. With two men in her heart and another determined to kill her, India becomes mired in uncertainty and depression. When she and Massimo reconnect, she begins to see a way of out of her gloom and falls in love with him... ..except her vengeful psychopath is never far behind. With more secrets getting revealed, India needs to decide who to love-and who to trust. Book two: Secrets of the Flame: A Doctor Romance (Saved by the Doctor Book 1) My last year of med school, the best year ever because of her-my future changed forever because of her... From the moment I saw her, I knew there was something between us not many people find. Passionate nights, stolen kisses throughout our busy days; she and I had the same goals-goals that would end the special connection we'd found. Leaving her behind proved to be the hardest thing I'd ever done. Finding her one day in a Seattle hospital, tending to one of my best friends, proved that old flame had never completely gone out. No longer the easygoing, easy-to-love girl I'd known years ago, she'd become guarded. My only question-why?
