The Wolf’s Hour by Robert McCammon; Simon Prebble

Robert R. McCammon is an American novelist of horror novels. McCammon was a major name in horror fiction during its boom period, but went into a depression following the novel Gone South and would not come out with another novel until Speaks the Nightbird in 2002.. Robert McCammon would have his first novel, Baal, published in 1978, although his first four novels remain out of print.

Master spy, Nazi hunter—and werewolf on the prowl—in occupied Paris: A classic of dark fantasy from a Bram Stoker Award—winning author. Allied Intelligence has been warned: A Nazi strategy designed to thwart the D-Day invasion is underway. A Russian émigré turned operative for the British Secret Service, Michael Gallatin has been brought out of retirement as a personal courier. His mission: Parachute into Nazi-occupied France, search out the informant under close watch by the Gestapo, and recover the vital information necessary to subvert the mysterious Nazi plan called Iron Fist. Fearlessly devoted to the challenge, Gallatin is the one agent uniquely qualified to meet it—he’s a werewolf. Now, as shifting as the shadows on the dangerous streets of Paris, a master spy is on the scent of unimaginable evil. But with the Normandy landings only hours away, it’s going to be a race against time. For Gallatin, caught in the dark heart of the Third Reich’s twisted death machine, there is only one way to succeed. He must unleash his own internal demons and redefine the meaning of the horror of war. From the award-winning author of Swan Song and Boy’s Life, this is a “powerful novel [that] fuses WWII espionage thriller and dark fantasy. Richly detailed, intricately plotted, fast-paced historical suspense is enhanced by McCammon’s unique take on the werewolf myth” (Publishers Weekly).

This book is a remarkable tale of pulse-pounding excitement with a uniquely sympathetic, fascinating portrait of the werewolf as nobel warrior-and conflicted being. Complex, compelling and utterly real.

The New York Times–bestselling author presents five paranormal adventures featuring the lycanthropic British spy introduced in The Wolf’s Hour. Roaming the globe in a fight against Nazi Germany, shapeshifter Michael Gallatin stars in stories that are “tremendous fun as McCammon mashes 007 and the Wolfman in a League of Extraordinary Gentleman fashion” (SFcrowsnest). “The Great White Way” In 1927, the wife of the star wrestler in a Russian traveling circus suffers at her husband’s hand. She finds solace in the arms of the boy who cares for the animals, a young man whose true nature is yet to be revealed. . . . “The Man from London” A British Secret Service operative follows rumors of a shapeshifter to a small Russian village. There, he comes face to face with someone who can be fashioned into a unique weapon. A man whose name is Mikhail Gallatinov. “Sea Chase” Arriving in Danzig, Michael Gallatin gets a job as a seaman. His mission: to infiltrate the crew. The ship harbors a weapons expert fleeing the Nazis, and the Germans will stop at nothing to halt his escape. “The Wolf and the Eagle” After their planes crash over the Libyan desert, Gallatin finds himself in the company of a German Messerschmitt ace. Together, they struggle to survive the heat, the scorpions, and a warlike tribe of scavengers. . . . “Death of a Hunter” At forty-eight, Gallatin is no longer the man—or the wolf—he once was. But what he faces at the hands of deadly ninja warriors may be a fate worse than death. . .

A vampire turns Los Angeles into a city of the dead in this novel by the New York Times–bestselling and Bram Stoker Award–winning author of Swan Song. The Kronsteen castle, a gothic monstrosity, looms over Los Angeles. Built during Hollywood’s golden age for a long-dead screen idol with a taste for the macabre, it stands as a decaying reminder of the past. Since the owner’s murder, no living thing has ever again taken up residence. But it isn’t abandoned. Prince Conrad Vulkan, Hungarian master of the vampires, as old as the centuries, calls it home. His plan is to replace all humankind with his kind. And he’s starting with the psychotic dregs of society in the City of Angels. The number of victims is growing night after night, and so is Vulkan’s legion of the dead. As a glittering city bleeds into a necropolis, a band of vampire hunters takes action: an avenging young boy who saw his parents devoured; a television star whose lover has an affinity for the supernatural; a dying priest chosen by God to defend the world; a female reporter investigating a rash of cemetery desecrations; and LAPD homicide detective Andy Palatazin, an immigrant who survived a vampire attack in his native Hungary when he was child and has been hunting evil across the globe for decades. Palatazin knows that to stop the Prince of Darkness, one must invade his nest. He knows it’s also a suicide mission. But it’s the only way to save the city—and the world—from vampire domination. “Suspenseful, exciting, and visceral,” They Thirst is one of the earliest novels by the versatile author of such masterpieces as Boy’s Life, The Wolf’s Hour, and the Matthew Corbett series (Kirkus Reviews).

In a nightmarish, post-holocaust world, an ancient evil roams a devastated America, gathering the forces of human greed and madness, searching for a child named Swan who possesses the gift of life.

Masterful and macabre short fiction from the New York Times–bestselling author of Swan Song. Father John has lived his whole life without knowing a woman’s touch. Hard at first, his self-denial grew easier over time, as he learned to master his urges with a regimen of prayer, cold showers, and jigsaw puzzles. That changed the day that Debra Rocks entered his confessional. A rough-talking adult film actress, she has come to ask him to pray for a murdered costar. Her cinnamon perfume infects Father John, and after she departs he becomes obsessed. Around the corner from his church is a neon-lit alley of sin. He goes there hoping to save her life before he damns himself. That is “Blue World,” the novella that anchors this collection of chilling stories by Robert R. McCammon. Although monsters, demons, and murderers fill these pages, in McCammon’s world the most terrifying landscape of all is the barren wasteland of a lost man’s soul.

An “impressive” tale of psychic power, Native American mysticism, and an ancient evil in Alabama, from the New York Times–bestselling author of Swan Song (Associated Press). Born and raised in rural Alabama, Billy Creekmore was destined to be a psychic. His mother, a Choctaw Indian schooled in her tribe’s ancient mysticism, understands the permeable barrier between life and death—and can cross it. She taught the power to Billy and now he helps the dead rest in peace. Wayne Falconer, son of one of the most fervent tent evangelists in the South, travels the country serving his father’s healing ministry. Using his unique powers to cure the flock, Little Wayne is on his way to becoming one of the popular and successful miracle workers in the country. He helps the living survive. Billy and Wayne share more than a gift. They share a dream—and a common enemy. They are on separate journeys, mystery walks that will lead them toward a crossroad where the evil of their dreams has taken shape. One of them will reject the dark. The other will be consumed by it. But neither imagined just how monstrous and far-reaching the dark was, or that mankind’s fate would rest in their hands during an epic showdown of good versus evil. From the author of Gone South, Boy’s Life, and the Matthew Corbett series, a master of suspense who has won the World Fantasy and Bram Stoker Awards, Mystery Walk offers “creepy, subtle touches throughout [and] splendid Southern-town atmosphere” (Kirkus Reviews).

A relentless alien bounty hunter encloses a Texas town under a dome to isolate, hunt, and kill its prey in “the ultimate horror novel” (The Philadelphia Inquirer). Ever since the copper mine closed, the West Texas desert hellholes of Inferno and Bordertown have been slowly dying. Snake River isn’t the only thing that divides them. Racism, gang wars, and anti-Mexican sentiment have turned the sun-scorched flatlands into a powder keg. If anything can unite them for now, at least in awe and wonder, it’s the UFO that comes soaring out of the clouds like a flaming locomotive. In the wake of the crash, a young alien named Daufin has arrived, too. A fugitive who has taken the form of a human, she knows the terror that awaits the inhabitants of this planet—because it is looking for her. When Stinger, the monstrous alien bounty hunter, arrives, it’s with a destructive fury and a devious plan to find Daufin—by entombing the residents in an impenetrable and inescapable dome. A relentless killing machine, Stinger has an infinite capacity for death and destruction. And over the next twenty-four hours, this town is going to bleed and burn. Now, the few remaining survivors must come together to protect Daufin, themselves, and the world beyond from total annihilation. From the New York Times–bestselling and Bram Stoker Award–winning author of Swan Song, Stinger was called “one of the best suspense novels of recent years” by the Science Fiction Chronicle.

An Alabama boy’s innocence is shaken by murder and madness in the 1960s South in this novel by the New York Times–bestselling author of Swan Song. It’s 1964 in idyllic Zephyr, Alabama. People either work for the paper mill up the Tecumseh River, or for the local dairy. It’s a simple life, but it stirs the impressionable imagination of twelve-year-old aspiring writer Cory Mackenson. He’s certain he’s sensed spirits whispering in the churchyard. He’s heard of the weird bootleggers who lurk in the dark outside of town. He’s seen a flood leave Main Street crawling with snakes. Cory thrills to all of it as only a young boy can. Then one morning, while accompanying his father on his milk route, he sees a car careen off the road and slowly sink into fathomless Saxon’s Lake. His father dives into the icy water to rescue the driver, and finds a beaten corpse, naked and handcuffed to the steering wheel—a copper wire tightened around the stranger’s neck. In time, the townsfolk seem to forget all about the unsolved murder. But Cory and his father can’t. Their search for the truth is a journey into a world where innocence and evil collide. What lies before them is the stuff of fear and awe, magic and madness, fantasy and reality. As Cory wades into the deep end of Zephyr and all its mysteries, he’ll discover that while the pleasures of childish things fade away, growing up can be a strange and beautiful ride. “Strongly echoing the childhood-elegies of King and Bradbury, and every bit their

equal." Boy's Life, a winner of both the Bram Stoker and World Fantasy Awards, represents a brilliant blend of mystery and rich atmosphere, the finest work of one of today's most accomplished writers (Kirkus Reviews).
